# ABOUT US

Camprosys Technologies LLC (formerly Sinatra Networks Technology LLC) was founded in January 2010 as security services & surveillances within the UAE, GCC and Middle East marketplaces, with the primary aim of providing a diverse mix of high-end tailored services for our valued customer base.

Camprosys offers high-quality customer services, brands, consumer products, and our own lines of specialist products and secondary services to concierge each division's efforts. Camprosys is currently in operations, as a corporation under the laws of UAE.

Our prime services cover a variety of sectors such as IT Solutions, Security Services, surveillances.

Camprosys head office is located in the heart of Dubai – U.A.E. This location provides excellent access to the entire Mena region and a central hub in between the East and West of the world. Management acquired its roots in several key areas which includes major real estate, Ministries, IT and healthcare sectors in UAE and many other important areas that make our team equipped to make Camprosys one of the fastest growing companies in the coming years within the UAE and GCC.

## Our values

### **Sustainable**

Camprosys believe in sustainable business and we mainly focus on investing and empowering on similar kind of business all over UAE & MENA Region.

### **Integrity**

Faithfully and fully living up to all our responsibilities and obligations as employees of a power holding! Behaving at all times in accordance with ethical and corporate governance standards.

### **Niche**

To enhance the quality of niche market, by empowering them through years of business knowledge.

### **Ambition**

To offer better solutions to our clients in order to make their business grow leaps and bounds and reach new heights, and also assisting start-ups to set their businesses on the right path are our primary objectives.

### **Team Work**

Harmonious collaboration, with a synergistic approach in everything we do.. Our people at all levels share the same vision moving with a greater sense of purpose and sharing responsibility for the Holding's success towards one Goal! Success for the future.

### **Reliable**

Creating and enhancing value for all our customers, employees investors and communities we serve. Proactively seeking and implementing opportunities that drive and sustain higher levels of organizational performance and growth, cost effectiveness and efficient delivery of services.

### **Alliance**

Accepting responsibility, assuming ownership and taking full accountability for our all actions, whether decisions or behaviors in the delivery of services and management of resources, in our public and private spheres in whatever level we are in the organization.
